

CVIT Cobre Valley Institute of Technology

[The Cobre Valley Institute of Technology \(CVIT\)](#) meets the needs of students who wish to prepare for Arizona's highly competitive workforce. Established in 2000, the program is one of 13 voter-approved [Joint Technical Education](#) districts in Arizona.

CVIT gives Superior High School students the opportunity to graduate from high school and earn a college degree at the same time. Students can take classes in nursing, fire science, electrician, welding, and more! Students enrolled in CVIT can earn a degree in their chosen field by the time they graduate high school.

SJSHS is happy to provide our students with transportation to and from CVIT's campus located in Globe, Arizona. Please contact a school guidance counselor for more information on enrolling in CVIT courses.

The CVIT Mission

To provide an ethical, productive, and technically trained workforce that meets the global needs of business and industry.
